

# Request for Multiple-Entry Visa to Japan

Dear Sir/Madam,

I am writing to express my keen interest in obtaining a multiple-entry visa to Japan. As an avid traveler who frequently explores various countries, I find Japan uniquely fascinating - a country rich in culture and diversity, which cannot be fully experienced through brief visits.

Currently, I am actively studying Japanese and aim to regularly visit Japan to immerse myself in the language and culture. A multiple-entry visa would significantly aid my goal to continually improve my Japanese language skills, while allowing me the flexibility to visit various regions of Japan over the next several years.

I kindly ask you to consider my request favorably. Thank you very much for your attention.

*Yours sincerely,*
